21. Suggestions from students

- Use LCD Projector Give Practical Training To Students
- Give more written notes
- Teachers should give knowledge about employability skills
- Make students feel that you care about them as a teacher. Also give personal feedback to students about their progress. Give students the experience of linking their knowledge and understanding with the local environment. Adopt a strategy that ensures child participation in the classroom and encourages students to ask questions.
- They should focus on more practical work. Should arrange activities which will increase student's productivity and confidence. Give extra classes based on spoken English or any competitive exams
- Institute must be engaged in providing practical knowledge to the students. Although everything is very good
- More focus should be there on practical knowledge rather than theoretical.
- Case studies help to increase motivation level of students.
- Practical knowledge is a good idea to learn more effectively.
- 75%-85% role is played by soft skills in everyone's life, so soft skills are one of the best idea
- Use Participation methods. Promote internships Mentorship programs
- Use smart classes method More curriculum activities provide them real examples
- Use projector to cover the topic.
- Encourage sports activities.
- Give some other opportunities to develop personality
- Institute should make efforts for other skills like , employability skill
- Little more focus on field trips, practical learning and overall competitiveness in class.
